

COMMERCIAL MEN BUSY IN BALTIMORE

BALTIMORE, Md., Dec. 12.—Delegates to the tenth annual session of the Southern Commercial Congress continued here today, many sectional meetings again being on the program. There was a meeting of implement dealers and the Maryland Agricultural Society.

A gathering to discuss commercial education for the foreign field was presided over by President F. J. Goodnow, of Johns Hopkins University.

At the mayor's reception room, city hall, an executive session of the House of Southern Governors was held. Shipbuilding in relation to world trade, and agricultural finance were subjects discussed at other gatherings.

With ideal weather conditions prevailing delegates to the congress today witnessed a spectacular naval pageant on Patuxent river in which twenty-two United States warships took part.

BERT WILLIAMS RECORD ONE OF LATEST RELEASES

"Tell that to the Marines" in days of yore was nothing more than a skeptical expression, but James Montgomery Flagg's historic poster and the jingle melodies of Al Jolson have combined to make it more than a mere figure of speech.

'Twas not natural that we should soon be singing it. If you want to know just how big a hit it really is, go to your Columbia dealer and hear it sung. Another corking song-hit is on the same record, "You Can't Beat Us" by Arthur Field.

Bert Williams, alias Mose Jackson, hears that hell is full of vampires, "likker" and dice. In fact he puts himself on record this month with the Columbia dealers.

Overseas songs such as "Tip, Tip, Yaphank," "Ding Dong," and "I Can Always Find a Little Sunshine in the Y. M. C. A." sentive with true doughboy gusto by the boys over there, are coming into their just popularity here with the return of the boys who turned the trick.

"My Belgian Rose" is now in record, and another exquisite waltz, "Beautiful Ohio," both played by Prince's Orchestra, will make good dance music for your parties.

District of Columbia must go over the top—buy W. S. S. now.

It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia and reduces swelling.
